FriendsTM
Locks & Hardware

SINCE 1982

With its MD Rajendra Agrwal and his team of engineers and workers.....

FRIENDS has reached to a top level brand of locks and hardware where we believe in "**Your Security is Our Goodwill**" has no compromises with the products quality.

The products been made by using heavy machines and latest hardware instruments under proper supervision and been tested thoroughly before supplying to the market. So that you can choose the best one for securing your home and work places.

The company not just believes in giving you the best quality but also in giving new and better look for its products so that it can add stars to your beautiful home.
